### **Finishing:**

Weave in ends. Sew buttons on back skirt even with buttonholes. Sew one button on back of each sleeve, even with buttonhole. Cut two strands of ribbon, about 2 feet long, and weave through holes in bodice, tie at sides under arms. If desired, you can add a bow with long streamers, or a short bow and buton at center front neckline.

(note: if you use size 10.5 needles and heavier weight worsted yarn, you can have a newborn size; then you will need 8-9 7/8" buttons)
