CALL FOR ABSTRACTS

DEADLINE FOR SUBMISSION: December 16, 2022

Stillbirth Summit 2023 is an educational and networking event expected to draw 200 health professionals and advocates from around the world in person in San Diego, CA and several hundred more online. Presenters will reveal their latest research findings and participate in discussions about what is needed to reduce stillbirth and neonatal death.

You are invited to share your experiences and research with this passionate assembly!

STILLBIRTH SUMMIT 2023

We are seeking submissions for oral and poster presentations which reflect the key areas of the conference theme:

- Stillbirth risk identification and management
- Emerging ideas in causes/prevention of stillbirth
- Maternal health issues related to stillbirth

The audience for Stillbirth Summit 2023 will include physicians, midwives, nurses, social workers, sonographers, researchers, families, and policy experts.

Continuing education credit will be available for appropriate professional audiences.

General Instructions for Submission:

Abstracts for Stillbirth Summit 2023 will be accepted electronically **here** or scan the Code to access form.

Abstracts will be accepted through **December 16, 2022**.

Abstracts will be reviewed by the Program Committee based on the following criteria:

- Topic is innovative and relevant to pregnancy loss, stillbirth and neonatal death.
- Submission is directly linked to one or more conference focus areas
- Content is well organized, an appropriate presentation level for the audience, and can be addressed in time allotted
- Presenter has relevant speaking/teaching experience.
- Learning objectives are measurable and achievable.
- There is likely to be significant interest in the session.

Conference planners will not review incomplete, incorrect, or late submissions.

All who submit abstracts will receive email notification of their submission status by February 3, 2023. Once the selection of oral and poster presentations is complete, presenters will be sent a presenter contract which must be completed and returned by February 28, 2023.

Presenters chosen for Oral Presentations will receive one free conference registration and travel assistance for the primary presenter. Further details will be provided in the presentation acceptance information.

Presenters chosen for Poster Presentations will receive one half-price conference registration. These presenters must be registered for the conference by May 1, 2023 or acceptance of the poster may be revoked.

Oral Presentations:

Stillbirth Summit 2023 will consist of 30-minute presentations including 5 minutes for questions. We are unable to accommodate specific presentation date/time requests.

Presentation format may be lecture, demonstration, or panel discussion and must be specified in the abstract submission. Slides must be submitted to conference planners at least 48 before the presentation in PowerPoint or pdf format.

Conference goals include the publication of a proceedings document. As such, submission of an abstract indicates permission to include the abstract in the publication if selected as an oral presentation. For research presentations, documentation of ethics approval is also required and will be requested within 2 weeks of submission acceptance.

Oral Presentation Submission Instructions

In order to assist in the processing of abstracts and to meet the requirements for awarding continuing education credits, submissions must include the following items. Conference planners will not review incomplete, incorrect, or late submissions.

- Title that reflects the topic or content (20 words or less)
- Abstract of the program (maximum 400 words)
- Contact information for the primary presenter, including email address
- Paragraph to be used for speaker introduction
- Conference theme addressed by the presentation
- Three post-test questions covered by the presentation
- Presentation description, which includes the following:
    - Program format
    - At least two measurable learning objectives
    - Teaching/learning strategy for each objective
    - Target audience who will benefit from attending
    - Presentation level (basic, intermediate, advanced)
    - 2-3 sentence description of the presentation that can be used for marketing

Poster Presentations:

Poster presentations are designed for those projects and interests that can be effectively displayed in a visual format aided by appropriate handouts and a personal description by the presenter. Oral presentation abstracts not selected may be invited to present the information via poster format.

Poster Presentation Submission Instructions

Submissions must be a 1-page abstract and include the following:

- Title of poster
- Presenter(s) Name(s) and Credentials
- Conference Theme addressed by the presentation
- At least 2 measurable learning objectives
- Background Information/Introduction
- Methods/Results (research posters)
- Conclusions
- 2-3 sentence description of the presentation that can be used for marketing
- Contact Information for the primary presenter, including an email address
