STAR LEGACY FOUNDATION

Introducing the Minnesota Chapter of Star Legacy Foundation

Star Legacy Foundation's newest chapter is right here in Minnesota! Chapters are designed to give local leaders flexibility to bring Star Legacy projects to their area that match the local need and team resources. While Minnesota is "home base" for Star Legacy Foundation and our national and global work, the [Minnesota Chapter](#) will focus on events here in our state as well as pilot programs for other chapters. We welcome you to join our efforts by joining our [Facebook page](#) or [contacting us](#) to learn how you can help.

Help Us Raise Funds with Our Spring Shoe Drive

Spring Shoe Drive

April 1 - May 31, 2018

Donate your gently worn, used and new shoes to Star Legacy Foundation during the Minnesota Chapter's Spring Shoe Drive, April 1 - May 31. Shoes collected are donated to micro-enterprise businesses in developing countries. One donation helps out TWO great causes! Help us by donating shoes, collecting shoes and spreading the word to friends and family. [Download a printable Shoe Drive Flier](#). Any type of new or gently used shoes are needed – baby shoes to ballet slippers, tennis shoes to snow boots to work and army boots! [Email us](#) if you would be willing to be a shoe drive drop off location! [View drop off locations](#).

Our shoe drive is facilitated by [Funds2Orgs](#), a Florida-based crowdfunding social enterprise company. Star Legacy Foundation will earn funds based on the total weight of the pairs of gently worn, used and new shoes collected, as Funds2Orgs will issue a check for the collected shoes. Once Funds2Orgs receives the donated shoes, it sells them for a nominal fee to microenterprise entrepreneurs in developing countries, such as Haiti and Guatemala, where they are resold into local communities. Funds2Orgs works with microentrepreneurs in helping them create, maintain and grow small businesses in developing countries where economic opportunity and jobs are limited. Proceeds from the sales of the shoes collected in shoe drive fundraisers are used to feed, clothe and house their families. Funds2Orgs gets an A+ rating from the [Better Business Bureau](#).
