

## To Apply a Frame to Your Facebook Profile

1. Login to your Facebook account and navigate to <https://www.facebook.com/profilepicframes>.
2. At the top of the window, search for "Star Legacy"
  - a. *Note: if you have already "Liked" Star Legacy's Facebook pages, the frames may automatically appear in your results list*
3. Select your preferred frame and reposition your profile photo as needed
4. At the bottom of the window, set how long you'd like your frame to stay active
5. Click "Use as Profile Picture" to complete
6. After submitting, your profile picture will be updated and a notification will go out the News Feed. If you wish, you may click on the "..." in the upper right corner of this post and choose "Edit Post" to write a note about why you decided to change use this frame, for example:

I'll #NeverBeStill in honor of [baby's name] and all babies gone too soon. If you or someone you care about has lost a baby at ANY stage of pregnancy or infancy, please join us in raising awareness by clicking the "Try It" button below!
